**8.** Does your young person have any medical issues that we should be aware of? e.g., asthma, bee sting allergies, any emotional, mental health or special education needs, and **any actions needed**. Staff are not permitted to administer medication.

**9.** Do you consent to your young person being photographed while involved in PYCF activities?  
YES / NO Please circle the one you agree.

**10.** Which school does your young person attend?

**11.** Are you happy for them to leave the centre when they choose?  
YES / NO Please circle the one you agree.

**12.** Does your young person have any dietary requirements or food allergies/intolerances? Please give as much information as possible. If a dairy or egg allergy does your young person need a completely dairy/egg free meal or are small amounts in cooked food acceptable?

**13.** Is your child confident in the water? Can your child swim 50 metres?

**14.** Data protection. PYCF implements the data controls as defined by the General Data Protection Regulations. The information you supply is being collected for the purpose of being able to administer the course and to allow us to meet our duty of care to the course participants. When you complete this form, you are providing your consent to PYCF to hold your personal information for this purpose. This information is used only for the purposes for which it is given and is not passed on to a third party unless we are required to by law or in the case of ensuring the participant's safety (e.g., passing declared medical condition information to emergency services in the event of an emergency response).

**15.** Covid-19 precautions: In line with Public Health England's guidance, please do not send your child to the centre if they, or anyone they come into contact with, show any symptoms of coronavirus especially a high temperature or persistent cough. Please call or text the centre 01929 552934 as soon as possible if your child will not be attending their session. We are precautions to ensure that your child and our staff stay safe including appropriate signage around the centre ensuring regular hand washing throughout the day. The areas in use are cleaned effectively every day .

**16.** Acknowledgement of risk. These events may pose additional risks to those encountered during a normal day. We have assessed those risks and believe that the planning undertaken, and systems agreed to control and manage the risks have reduced the chance of harm to an acceptable level. Details of planning and risk assessments are available on request.

Consent declaration - I have legal responsibility for the named participant and give consent for him/her to take part in the proposed event.

I give consent for the named participant to receive emergency medical treatment, including anaesthetic, as considered necessary by any medical doctor present, should the need arise.

I have provided details of all medical conditions and illnesses and any treatments required to maintain health.

I confirm that I have read, understood, and accept the terms and conditions and wish to proceed with this booking.
